.. a few final words for delegates

Replace it with Replas

We're sure it will be hard to forget the wonderful staff from Replas who supported the Congress so generously.

The team from Replas have sent their hearty thanks to all the delegates from Australia and New Zealand who attended the Congress.

They have also offered to add delegates to their mailing list to receive email updates on products and innovations. To add yourself to this list, please contact Stuart Marshall at stuart@replasqld.com.au.

The Congress would not have been possible without the generous support of our Gold Sponsors, Replas.

Massive thanks to sponsors

It goes without saying that an event like the BGANZ Congress would not be possible without the contribution of sponsors and the 2009 event is no different.

The Organising Committee would like to thank the following organisations:

- Mackay Regional Council
- Replas, www.replas.com.au
- Terracottem, www.terracottem.com.au
- Horticultural Training Pty Ltd, www.horticulturaltraining.com.au
- South West Institute of TAFE, www.swtafe.vic.edu.au

Please support those organisations who made this Congress possible by dropping into their websites and checking out their services.
