KEY MEMBERSHIP FEATURES

Professional Networking Groups

Members have the opportunity to network and learn from other professionals in the botanic garden industry by joining a regional or specialist group.

Regional groups may vary over time. Current groups are:

- 1) New Zealand
- 2) New South Wales/Australian Capital Territory
- 3) Victoria
- 4) Queensland

3 specialist groups include:

- 1) BGANZ Collections and Records Management (BCARM)
- 2) Botanic Gardens Engagement Network (BGEN)
- 3) BGANZ Arboriculture (BARB)

Communications

Weekly e-news includes information on upcoming job vacancies (Australia/overseas), conferences, courses and other events, invitations to comment on draft documents and other relevant material.

All members receive our e-magazine twice a year. There is a main theme for each issue and member contributions are welcome.

Government and Industry Advocacy

BGANZ represents the interests of our members, working with government and industry to strengthen policies and practices that will advance plant conservation and research, horticulture and environmental education. As a member, your voice will be represented.

Member Events

A biennial 3-day congress provides networking opportunities, information updates, sharing of ideas and learning about the latest big picture issues relevant to horticulture and plant conservation. Discounted rates apply for all members.

Regional conferences provide an opportunity to hear about local and regional issues relevant to gardens and horticulture. BGANZ members receive a discounted rate. Regional conferences are held in non-congress years.

Member Resources

BGANZ brings its members together, facilitating shared knowledge and continuous improvement in horticulture, conservation, research, taxonomy, biosecurity, future planning, social and community engagement. BGANZ members can contribute to and have access to all resources. Some resources may have a cost, but will be discounted for members.

Training and professional development

BGANZ partners with organisations to provide scholarship opportunities for professional development in the horticultural space. Training opportunities and partnerships are continually explored and evolving. These opportunities are only available to Individual Members who are students (unless your organisation is a Member).

PRICING STRUCTURE (AUD. Exc GST)

Individual (Member)	\$75
Individual (Senior)	\$60
